Description

The Oasis Jr. is the solution for mail and small parcel security. Approved by the US Postmaster General, this high capacity locking curbside mailbox incorporates a large hopper door that allows delivery of mail bundles and small parcels making it perfect for catalog and internet shoppers. The body is constructed of heavy 16 and 14 gauge galvanized steel fully powder coated prior to assembly for durability and long life. The incoming hopper and mail retrieval doors include rubber seals to keep deliveries clean and dry. All hardware is made from stainless steel and other corrosion resistant materials. The box is suitable for installation into a pilaster, column or wall the entire outer shroud is one piece to resist moisture and the elements. Installation instructions are included. A matching in ground post sold separately. The stainless steel cam lock comes with two keys.

- Constructed from heavy gauge galvanized steel for durability
- Commercial grade powder coated finish
- The Oasis Jr. can be mounted to the Decorative Post (item number 6215)
- A spreader plate can be used to mount two, three or four Oasis Jr. Mailboxes
